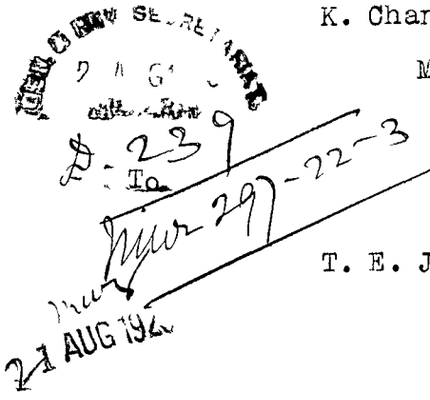
Bangalore.



To

T. E. Jayarama Aiyar, Esquire., P.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

ST 7/6

With reference to your letter No.2094/M.F.297-22-2 dated 16th January 1923 and subsequent communications regarding the practical -- training in the Ayurvedic College, Mysore, I have the honor to forward herewith copy of letter No.96 dated 20th February 1923 together with a copy of the proceedings of a meeting of the College Committee held on 12th March 1923 furnishing their views in the matter.

2. In this connection, I beg to state that the subjects discussed at the assembly meeting of 1922 are very intimately connected with the improvement of the Ayurvedic College, Mysore, which is under consideration separately (Vide your letter No.1675 dated 4th November 1922) For a detailed report in the matter I am awaiting the issue of orders by the Government of Madras on the exhaustive report submitted by the Committee on the Indigenous systems of medicine and shall submit ---- definite proposals as soon as orders are passed and published.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.
(absent from Sta)

(Letter No.96 dated 17/20th February 1923 from the Head Master Ayurvedic College, Mysore, to the Muzrai Commissioner in Mysore.)

"With reference to your No.C.1023/2 dated 2/3rd February 1923, I have the honor to submit the following, re the subject Nos.112 and 113 of the Dasara Session of the Representative Assembly of 1922 for your kind information in consultation with the Senior Hakim.

Subject No.112.

The Ayurvedic College and the dispensary were till now located in the front portion of Devarajamarket, an unpleasant locality, and they have been temporarily shifted, to the north wing of the Chamarajendra technical institute, under the public library, and the Unani dispensary, has also to be changed to a better locality and building, from its present noisome atmosphere.

Till the construction of a permanent and a suitable building is practically solved, a unani section might be obtained, in the Ayurvedic College, for teaching that system, to the boys.

The formation of a herbal garden has been very recently sanctioned by the Government, in their No.2154-6/Muz.284-23-3 dated 27th January 1923 and this will take its practical shape in the course where the students will be taught practically, the botany and the materia medica of the herbs.

Subject No.113.

A laboratory should be opened where all the Indian herbs and drugs, used by Ayurvedic and Unani systems of treatment, have to be analyzed and standardized, together with a pharmacy, for preparing "Bhasmams-powders" "pills" Sindhurams, Rasayanams "Lehyams, Thylums etc on a large scale and kept in stock, for distribution to the outlying dispensaries, and for supplying to the needy public.

I beg to submit that the Government have very kindly sanctioned in their G.O.No.519-20/Muz.522-18-2 dated 13th August 1919, the well thought and ~~taught~~ of elaborate representation on all these points, presented by the Muzrai Secretary, G. Aravamudu Iyengar, Esq., in 1919.

If this sanctioned scheme is brought into force gradually, as the funds are available, I dare say that all the necessary wants of

of Ayurvedic and Unani institutions, will have been fulfilled, ere long.

I beg further to submit that persons, well trained in the Western and Eastern systems with a knowledge of Sanskrit and the vernacular of the country, will be better fitted to be the teachers, in a country -- like Mysore, than foreigners who know not the language of the country.

Ayurveda and Unani cannot be taught in English. They must be taught in Sanskrit and Hindustani languages with explanations in ---- Kanarese and without such an arrangement, I beg to submit that the -- institutions are bound to deteriorate in the long run.

Mr. Ambale annayya Pandit, one of the important member of ---- Ayurvedic Committee is absent from the station. After his return, the subjects will be brought before the committee and their opinion will be submitted."

"C o p y "

for Muzrai Commissioner.
